UNITED TOWER ELECTRICAL CONTRACTING LLC

INTRODUCTION, VISION, MISSION

INTRODUCTION

United Tower Electrical Contracting LLC (UEC) is one of the leading Electro-Mechanical Contracting Companies in U.A.E. offering high quality services since 2011. Our expertise areas include high voltage transmission systems 11KV up to 400KV, medium voltage power distribution networks, telecommunication network installation and associated mechanical and civil works.

We have provided excellence all over UAE in the field of Electromechanical Contracting. A team of highly experienced engineers and supervisors deliver projects in most professional manner. Skilled and unskilled manpower together with adequate machinery resources have always upheld UEC's pride in every project.

OUR VISION

Today we are living in an increasingly booming and fast changing world and energy is the key for all this development. We aim to Provide Excellent and Innovative services in the field of power & telecommunication constructions with high standards of integrity.

OUR MISSION

We have to pertain to our values; these values include integrity accountability and the drive for continuous improvement. Living these values means managing our environmental impact through Leadership, Knowledge based learning & social responsibility and at the end "**The best is yet to Come**".

UNITED TOWER ELECTRICAL CONTRACTING LLC

Electrical Works:

Electrical works is one of our core area of interest and expertise. We are specialized in:

- Supply and installation of 11KV up to 400KV Over Head transmission lines.
- Supply and installation of 11KV up to 132KV Underground Cable system.
- Replacement and renewal of insulators, Warning Spares and other accessories in Over Head Transmission systems.
- Sagging Work and Jumpers & Spacer Installation Works.
- Installation and maintenance of Substation Equipment's, transformers and package units.
- Supply and installation of street lights and high masts.
- Supply and Installation of low power distribution network for buildings.
- Installation of OPGW.
